

BONUS TASK

PROBLEM STATEMENT:

Ideate for a project pertaining to your domain that solves any existing issue in an innovative way. #Ideate. Innovate.

GUIDELINES:

- ✂ Prepare a report (with a minimum of 3 pages) containing abstract, methodology and the innovativeness of your project.
- ✂ Refer existing solutions online (if any) to avoid plagiarism.
- ✂ Cite relevant references (if any)

EVALUATION METRICS: (50 marks)

- ✂ Amount of research done.
- ✂ Innovativeness of your idea will be the most important criteria for evaluation.

SUBMISSION:

The report has to be submitted during the first round of technical interviews (which will happen during the first week after reopening).
